Dear St. Christina School Families,

Under the guidance and hard work of Fr. Ryan, Mrs. Spano, and a very dedicated faculty and staff, St. Christina School strives to provide a top notch, quality education. This is achieved through a rigorous academic curriculum coupled with strong faith-based values. Additionally, various special classes and enrichment opportunities are offered to nurture the intellectual, spiritual and physical needs of our students. We are confident our goals are being met as our progress monitoring tools provide clear evidence of the outstanding growth our students achieve throughout the year, in addition to the many awards and accolades received by our students. In order to maintain this high academic standard and meet the day-to-day cost of running our school, a minimal and necessary tuition/fee increase will be implemented beginning with the 2025-2026 school year.

Fr. Ryan and Mrs. Spano are dedicated to exploring every possible way to keep tuition costs as manageable as possible for our families. Realizing the burden these increased tuition costs pose for each of you, the School Advisory Committee continues to look at ways to offer an opportunity for relief. Our RaiseRight (formerly SCRIP) program offers a variety of rebates through the purchase of physical gift cards, eCards as well as shopping online. Many of our school families have been participating in these programs and have collectively earned thousands of dollars in credits that have been applied to their tuition accounts.

Accompanying this letter is the 2025-2026 St. Christina School Tuition Agreement. We ask you to read it carefully and choose the plan that works best for your budget. Please note the volunteer hours, Cardinal Cash Raffle Tickets, and non-registered parishioner sections that you will be responsible for, as in past years, and then electronically sign [HERE](#) a copy of the agreement by **Thursday, April 17, 2025**. As always, we appreciate your support of St. Christina School and value your input. We realize that you have a choice of many schools where you can send your children. We feel St. Christina is a strong school made even better by your presence.

We Are...#BetterTogether. We Are..#ReadyToGrow.

Thank you,

School Advisory Committee (SAC)

ACTIVE PARISHIONER POLICY

St. Christina School is the primary mission outreach of St. Christina Parish. The Parish helps to defray the cost of tuition by offering a subsidy to each child. The subsidy is totally funded through the regular collection at weekend Masses. The fee structure set on the tuition contract is based on the assumption that a family is considered a registered and “active parishioner”. This status is determined by regular attendance (75% over a 20 week period) at weekend Mass and that enables a family to continue to receive a subsidy from St. Christina Parish for their children’s education. If your family is not registered with St. Christina Parish, an additional \$500 fee will be added to your family’s tuition. You can become a parishioner at the Rectory.

DELINQUENT FINANCIAL OBLIGATIONS

Any School Family who misses two tuition payments and is unwilling to make and/or adhere to alternate arrangements will be subject to actions by the School, up to and including, non-participation in activities and athletics, financial exclusion of their student(s) by withholding of official transcripts, and/or removal from School. In addition, in the event a School Family’s financial obligations have not been met (including all fees and Before/After School Care charges), the School reserves the right to:

- Withhold the diploma of a graduating student
- Deny admission for the student(s) of the delinquent School Family to the School for a new academic term
- Deny admission for the student(s) of the delinquent School Family to the School for the following year

I realize that a continuing delinquency of tuition payments will place an unfair burden on the School and other parents. If my payment program is not kept current, I understand it will necessitate that my child/ren will not receive accreditation records and not be eligible for enrollment the following trimester.
